

DOGGIE DO'S & DONT'S

We want our four-legged friends to have a wonderful holiday too, so please take note of the following to ensure their enjoyment.

1. We are a **pet friendly hotel** but do ask that when you make your booking that you advise us that your pet is joining you, along with their **name**. They are a guest too and **must be** on the booking 😊
2. Unfortunately, pets are **not allowed** in the restaurant. We do have an area where your pet can join you for breakfast, but this is **limited** in space so we do ask that you advise at the time of booking if you would like a breakfast table in this area. If this is not booked, we cannot guarantee that we will have availability.
3. Whilst you are in the hotel, please feel free to leave your pet in your room. However, if you are going out and leaving the hotel, we must politely advise that you **must not** leave your pet alone in the bedroom.
4. We are not able to allow more than **2 dogs** per room!
5. We respectfully ask that you keep dogs on a lead in public areas.
6. There is a one-off cleaning charge of **£15 per stay** to mitigate the additional cleaning costs. We reserve the right to additionally charge if your pet does have an accident.

If you have any questions at all regarding your pets stay with us, please do not hesitate to contact a member of the Reception Team.
